

# County of Santa Clara

## Chief Medical Officer – Valley Health Plan

\$283,391 - \$353,664 Annually

The salary is dependent upon qualifications.

Valley Health Plan (VHP), a Knox-Keene licensed County operated health plan located in the heart of Silicon Valley, serving 160,000 members is seeking a Chief Medical Officer (CMO) who will support VHP's mission to address the holistic needs of the members served and will be actively involved in the shift toward a value-based, integrated delivery system in collaboration with strategic partners to ensure the delivery of the highest value medical, pharmaceutical, behavioral and social services and supports. VHP's CMO has overall accountability and oversight of all clinical functions and medical cost trends consistent with the vision and strategy set forth by VHP's senior executive leadership team.

A qualified candidate must be a board-certified MD or DO with an active, unrestricted California medical license with at least five years of clinical practice and five years of experience in an executive role in a health plan. An MBA, MPH or MHA and experience in a Knox-Keene licensed health plan is preferred, although not required.

In addition to County of Santa Clara's generous leadership benefits package, the individual that will be selected shall enjoy the benefits of a rewarding career as a servant-leader in a county that is considered as one of the leaders nationwide.
