

Stacy Baker, JD, Chief Compliance Officer & SVP of Regulatory Affairs, QMetrics

Stacy leads the Regulatory Compliance Division of QMetrics. This division provides guidance, support, and tools to clients in the health care industry to assist with interpreting and implementing legislative and regulatory requirements, preparing for audits, performing delegation oversight activities, and completing other regulatory functions.

Stacy has been working in the regulatory compliance field for over 20 years. She has served in senior leadership roles in full-service and specialized Knox-Keene licensed plans and other entities. Stacy has served as the primary health plan liaison to numerous regulatory bodies including the California Department of Managed Health Care (DMHC), Covered California, CMS, the Department of Labor and CCIO.

Stacy's extensive experience interpreting and implementing both state and federal statutory and regulatory provisions and sub-regulatory guidance has been instrumental to the success of several firms that QMetrics assisted. Stacy also provides regulatory oversight for QMetrics' Timely Access PAAS administration and validation activities and has served as the lead liaison for our QMetrics PAAS clients.

Stacy holds a J.D. from the University of San Diego School of Law and a BA in Psychology from the University of Rhode Island.
