

New Health Care Mandates Would Drive Up Premiums By \$943 Million

California Association of
Health Plans

STATEMENT: CALIFORNIA PREMIUM COSTS

INVOICE

Bill To: California Families and Businesses

California health plans cover more than **28 million people** and are dedicated to ensuring that everyone has access to high-quality, affordable health care services. This year, California lawmakers are considering many new health care mandates that, as proposed, would collectively drive up health care premiums by nearly **\$1 billion** in the first year alone.

BILL NUMBER	BILL AUTHOR	AMOUNT
SB 729	Menjivar	\$182.7 million to \$329.9 million
SB 873	Bradford	\$200.5 million

AB 632	Gipson	\$177,000

CALIFORNIA FAMILIES AND BUSINESSES TO PAY

\$943M
In Increased
Premium Costs

New mandates raise the cost of health care for everyone, even when the mandates only benefit a small number of people.

CAHP urges legislators to always look at the bigger picture by cumulatively reviewing the costs of proposed mandates and to consider the impact that they will have on the affordability of health care for all Californians.
