

County of Santa Clara

Valley Health Plan: Assistant Director Managed Care Programs for Contracting

\$181,964 - \$233,468 Annually DOE

The salary range is dependent upon qualifications.

Under the direction of Valley Health Plan's Chief Executive Officer, the Assistant Director for Contracting will direct the design, development, and implementation of contracting for providers and other entities for Valley Health Plan, the County's Health Maintenance Organization. This role is responsible for leading a team of contracting specialists and administrative staff in ensuring that VHP's provider network meets all regulatory requirements, including timely access and network adequacy.

Required Background and Experience:

Possession of a bachelor's or higher degree in business administration, health care administration, or a related field. This position requires substantial managed care program or related experience where a high level of responsibility and accountability was held, preferably in programs dealing with Medicaid, a large geographic area, a variety of providers, a teaching hospital, and a public/political environment.

In addition to the [generous leadership benefits package](#), the individual selected for this role will enjoy a rewarding career supporting the health and wellness of over 200,000 residents in the region.

Final Filing Date: Open until filled. The first review of applications will be on **Friday, October 13, 2023**.
