

County of Santa Clara

Valley Health Plan Medical Director

\$331,717 - \$413,974 Annually

The salary range is dependent upon qualifications.

Valley Health Plan (VHP) is seeking a Medical Director who will be responsible for providing medical leadership and direction to the case management, clinical quality management, and strategic development functions. This position works closely with the Chief Medical Officer to create and maintain programs, design and implement corrective action plans, participate in policy creation and review, perform analysis, engage internal and external stakeholders, and work collaboratively with other plan functions that interface with medical management.

Required Background and Experience:

Must be a licensed Physician in California. The successful candidate will also have at least (5) five years of clinical experience and a least one (1) year of experience in medical supervision and management in a managed care environment, physician group management, or integrated health care system management.

In addition to a [generous leadership benefits package](#), the individual selected for this role will enjoy a rewarding career with Valley Health Plan.

Final Filing Date: Continuous until filled.
